#### Everything You Need To Know About Kegels

08 Nov, 2018 0 comments

There are so many different varieties of Kegel balls out there, it can be overwhelming to choose. Some are sets of balls attached by string, some are made of metal or glass, and they come in a variety of weights and sizes.

### Customer Testimonials

" Love, love this strap on. Thanks 'Sportsheets' for making them in curvy girl sizes. Fan for life!

" My first entry into anal play worked out better than I imagined. The fit was comfortable and the soft fur on my cheeks made it even more fun. Thank!

Marianne - Tampa, FL

" What a fun toy. My partner really likes the different speed settings. Also it's easy to clean.
