

STEP_{pay}SM

Your Payments, Our Precision.

We provide a secure payments process so you can focus on the growth and development of your business.

The STEPpaySM Gateway is QSA validated, designating us as a PCI DSS Level 1 Service Provider.

Our business processes, integrations, and supporting technology allow you to focus on the growth and development of your business while we focus on your payments processes.

THE COMPANY THAT PROVIDES

Coalesce PaymentsSM provides dozens of options designed to give you total flexibility in compiling reports that fit your specific needs:

- Detail Reports
- Summary Reports
- Payment Plan Reports
- Reports by Location

THE COMPANY THAT UNDERSTANDS

When it comes to efficient payment operational rules, you have specific needs. We not only understand your needs, we fulfill them. Coalesce Payments provides you with the ultimate payment solution.

Our STEPpay virtual terminals and integrated solutions are designed to give you the capability you need to initiate and complete a full range of payment activities.

THE COMPANY THAT RESPONDS

Easily monitor, edit, add, and maintain all your assets and transactions in your system.

The STEPpay gateway accepts input from a variety of sources:

- Virtual Terminal
- Batch Web and FTP Upload
- Flexible Payment Schedules
- API for Custom Software Integrations
- Existing Software Integrations
