### TAG Mobility Presents: Building a Smarter Atlanta: What Digital Technology Means for the Future of Our City

TAG Mobility in partnership with Bank of America Merrill Lynch, The Brookings Institute and Metro Atlanta Chamber presents Building a Smarter Atlanta: What Digital Technology Means for the Future of Our City.

For the first time in history, more people live in cities than rural areas - and the trends is expected to continue. To get their built environment ready, cities are relying on a new level of partnership by governments, companies and investors to improve a city's digital infrastructure. Please join the partnership of TAG Mobility, Bank of America Merrill Lynch, The Brookings Institute and Metro Atlanta Chamber to find out how connected, data-driven infrastructure can improve the quality of urban life in Atlanta and build a more competitive, resilient economy.
