

Clarifi Analytics

Never Wait for Another Contingent Labor Report

As a hospital leader, you need access to meaningful, real-time data in order to make critical decisions quickly. That's why at SimpliFi, we've created a groundbreaking technology, Clarifi Analytics, to take the guesswork and pain out of generating your most insightful reports.

Testimonials

"The SimpliFi team is very responsive and always provides a quick turnaround. When we need a nurse, we often need them quickly, and SimpliFi offers us quality, skilled nurses that are able to hit the ground running."

– Director of Human Resources

Utilize ClariFi's interactive, user-friendly dashboards for:

- Real time, transparent performance metrics at your fingertips.
- 24/7 access to your most critical KPI's:
 - Fill and time measures
 - Sub ratios
 - Cancel rates

Tailored reports are easily exported into Excel, made into a PDF or an image with one click.

With Clarifi Analytics, you have immediate access to:

- Robust reporting of utilization mix and trends
- Identification of spend and hours by unit
- Use of Premium rates, including:
 - Crisis rates
 - Vital rates
 - Overtime vs. Standard Rates

Responsive dashboards allow for easy access to performance metrics on any device – anytime, anywhere.

Whether you are answering questions in the board room or creating next year's budget, your most important data is right where you need it, when you need it.

Through ClariFi analytics, Simplifi offers unmatched transparency, adding value and accountability to one of your hospital's most important partnerships.

Connect with us today to learn how Simplifi can leverage the power of ClariFi Analytics technology to deliver accurate reporting, insights and predictions that drives successful outcomes.
