Need quality and reliability but don't want to own it? Rent it from Colony!

If you are looking to improve your business's bottom line, then rent your equipment from Colony. Colony rents a large variety of tools & equipment on a daily, weekly, or monthly basis. We rent top name brands, so you can be sure you are receiving quality, well-maintained equipment. By renting from Colony, you instantly have all the advantages of using premium equipment with none of the responsibilities of ownership.

Colony also has special programs such as "Rent to Own" which gives you the option of ultimate ownership while enjoying the benefits of Renting.

For more information, call us at 800-698-0781, via email [click here](#) or **click the on the image to view our Online Rental Catalog.**
