

Welcome to Janes of Digital.
Here's to you.

About Us

Be brave enough to start a conversation that matters

This is where women who work in the search and digital space get the stage. Where you can expect your voice to be heard, your effort to be recognized and your initiative to be credited to your innate awesomeness. Microsoft started Janes of Digital as a digital marketing event in Seattle, and continues to bring stimulating connection to marketing events across the U.S. through panel discussions, networking and the occasional rowdy professional skills workshop.

Can't Stop. Won't Stop.

Janes of Digital is a stylish event, a platform for women who work in search and digital and a place where all are welcome - this includes men. We're glad you're here.

Events

Set Goals. Reach. Repeat.

If you're the kind of person who likes to talk to others about search and digital in a respectful, safe space, then you're the kind of person we want to see at Janes of Digital. We'll host a panel discussion on a topic of interest to women in digital, invite your questions and input and turn you loose with nibbles and cocktails for the kind of fierce networking you love.

Janes up next

We are hosting a Janes of Digital event, taking place during SMX East. Join us for a thought-provoking discussion on inclusion, allyship and key issues facing all of us in the workplace. Please look out for a separate communication regarding Janes of Digital, as well as an official client invitation.

Please note: Registration is required for this event as space is limited.

When:
Wednesday, October 24, 2018
7:30p.m.-9:30p.m.

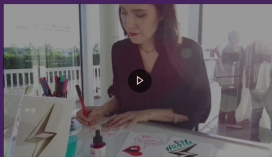

Where:
Affirmation Arts
523 West 37th Street
New York, NY 10018
