## About Us

HEICO Corporation is a rapidly growing aerospace and electronics company focused on niche markets and cost-saving solutions for its customers. HEICO's products are found in the most demanding applications requiring high-reliability parts and components, such as aircraft, spacecraft, defense equipment, medical equipment, and telecommunications systems. Through our Flight Support Group, we are: the world's largest provider of commercial, non-OEM, FAA-approved aircraft replacement parts; a significant provider of aircraft accessories component repair & overhaul services for avionic, electro-mechanical, flight surface, hydraulic and pneumatic applications; a leader in niche aircraft parts distribution; and a manufacturer of other critical aircraft parts.

Our Electronic Technologies Group, designs and manufactures mission-critical niche electronic, electrooptical, microwave and other components found in aviation, broadcast, defense, homeland security, medical, space, telecom and other complex equipment used worldwide.

HEICO's customers include most of the world's airlines, airlines, satellite manufacturers, defense equipment producers, medical equipment manufacturers, government agencies, telecommunications equipment suppliers and others.
