

We're not your average training company.

Instinct is made up of **certified & veterinarian-recommended** trainers & behavior consultants with years of hands-on experience and continuing education in the fields of canine cognition and behavior modification.

That means you can expect **MORE** from Instinct Behavior Modification programs: more effective training solutions, more unique socialization opportunities, more individualized attention, and of course, a more relaxed, happy, confident dog!

INSTINCT Can Help With

General Fear & Anxiety
Dog-Dog Aggression

Fear Aggression with Strangers
On-Leash Reactivity

Separation Anxiety
Owner-Directed Aggression

...AND MORE!
