

LINK TO THE RIGHT HIRE

ProLink Staffing Services is a staffing provider with a deep focus on attracting and retaining the best professionals for our partner companies.

ProLink is a full-service staffing and recruiting firm offering comprehensive workforce management programs including contract, contract-to-hire (temp to perm), direct placement and managed services. We perform an in-depth customer analysis allowing us to custom-tailor our programs to your unique needs.

Our exhaustive screening process ensures that only the most professional and qualified candidates are considered by your management team. We save you time and money by eliminating inefficiencies in the hiring process, while reducing turnover and training time.
