Our Services

Goal offers safe and secure services to help maximise shareholder returns. This involves the reclamation of withholding tax on cross-border securities and recovery of compensation for the financial loss from owning shares in a company where there has been mismanagement or unlawful behaviour.

Withholding Tax Reclamation

Overview

American Depository Receipts (ADR)

Goal TaxBack (GTB)

Global Tax Reclamation Solution (GTRS)

Goal TaxBack provides an outsourcing capability for those clients who, in the quest to reduce costs, increase productivity, reduce risks and leverage the most current technology see outsourcing as a valuable option to remaining competitive in their market place. Goal TaxBack is delivered in-house in a service provision environment, using our own technology.

We will undertake all the work necessary to recover excess withholding tax suffered on foreign income by utilising our proprietary software together with all the knowledge and expertise gained through years of experience in the business. All we require to implement this service is some simple documentation to be completed.

Our fees are attractively priced on a flexible scale to ensure that you, the client, get the benefit you are entitled to. In addition to performing the tax reclaim services, we offer an extensive suite of reports in a variety of formats, the content of which can be tailored to meet your specific requirements, thus enabling you to track and monitor the status of your reclaims throughout their lifecycle.
