DOGS AND TRAINING

NEW COurses

COURSE SCHEDULE 2019/20

Gold Coast K9 has three categories of dog: Home Protection, Corporate, and Tactical. All our dogs are hand selected from top breeders throughout the world and are specifically trained to the client's unique needs and environments. Browse the categories below for more information on the dogs and training offerings available for each category. Gold Coast K9 also offers special services including detection services. Please [go here](#) to learn more about our contract detection services.

HOME PROTECTION

CORPORATE

TACTICAL

HOME PROTECTOR DOGS

starting at \$30,000.00

Our beautiful and highly trained dogs range in price based on their overall capabilities, training, socialization, and Gold Coast K9 certification. All Gold Coast K9 Home Protector dogs have a minimum standard of capability and training; however, every dog can receive higher levels of customized skills.

GOLD COAST K9 HOME PROTECTOR

Maintenance and other specialized training packages available on request (please see the Home Protector Training Offerings section below).

CUSTOM GOLD COAST HOME PROTECTOR

Our dogs are highly capable and can be trained to handle specialized client requirements. A custom dog will have all the Gold Coast K9 Home Protector basic capabilities. Pricing for our custom dogs is based on attributes and training requirements. Some of the capabilities include:

Residence search: alert and guard on barricaded or hidden threat

Explosives, narcotics, gun, tied bag, or other specified odor detection

Recall from threat apprehension

Cease pursuit and retreat

Vehicle deployment and protection

Laser direction trained

Tracking capable

Exterior perimeter search: alert and guard on barricaded or hidden threat

Group weapons and tactics understanding

Handler training for security detail

Livestock and animal socialized

Go to bathroom on command

Socialized for airplanes and helicopters

Extensive real world application experience

Custom Home Protector Also Includes:

Three-day up to two-week handler orientation training course at GCK9 facility in Southern California. The training includes a Gold Coast K9 handler certification, which is based on the proven standards provided by top police agencies. One week refresher course at GCK9 facility in Southern California. Orientation and refresher course can also be at buyer's residence. Maintenance and other specialized training packages available on request (please see the Home Protector Training Offerings section below).

HOME PROTECTOR TRAINING OFFERINGS

HOME PROTECTOR MAINTENANCE TRAINING

\$1,500.00 per day

We recommend that you and your dog receive up to 16 hours of training per month (best if broken up every two weeks if possible). This level of training will ensure you and your companion are working flawlessly together and it allows us to continue working on the core skills and obedience. However, we understand there are busy schedules and lives, so we can recommend options that will suit your personal needs. These training sessions can be held at the Gold Coast K9 facility or buyer's location. Buyer provides lodging and transportation.

HOME PROTECTOR ANNUAL REFRESHER TRAINING

starting at \$5,500.00

Annual refresher training is an important part of ensuring your companion is as ready and sharp as possible. We will conduct an Annual Refresher training course of 40 hours at Gold Coast K9 facility in Southern California. Options to travel to buyer's location are possible. Buyer provides lodging and transportation.

HOME PROTECTOR SPECIAL TRAINING PROGRAMS

\$1,500.00 (dependent on training and requirements)

Develop specialized training programs to suit client needs at Gold Coast K9 facility or buyer's facility. Buyer provides lodging and transportation. Cost depends on training and requirements.
