## Love coming to work

**Designed for productivity**

We enable you to focus, without interruption, on growing your business and getting important work done. No hassle. No tech issues. No holdups. We make sure you are productive from the moment you start.

**Works for everybody**

We are home to everyone from major businesses to freelancers. Whether you need workspace for one or 1,000 people, our flexible terms and simple pricing ensure it works for you.

### Works for everybody

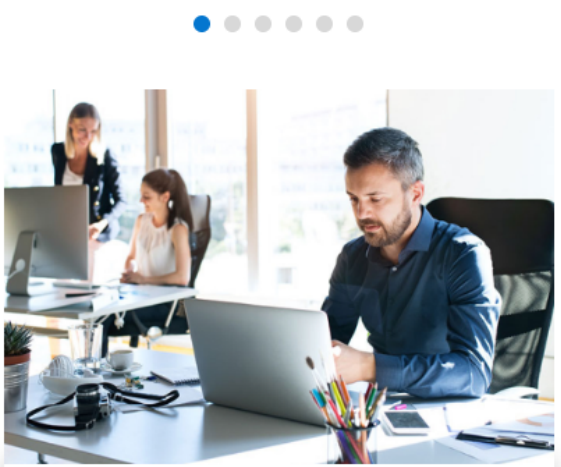

We are home to everyone from major businesses to freelancers. Whether you need workspace for one or 1,000 people, our flexible terms and simple pricing ensure it works for you.

### Simple to use

Our app allows you to manage every aspect of your workspace at the touch of a button. Book a meeting room, reserve space and access your account 24/7.

# What works best for you?

## Office

Work in a space you can call your own. Whether you move in for a day or a year, our offices help you and your team feel completely at home at work.

# What works best for you?

## Co-working

Get work done in a shared office environment. Come in anytime, anywhere or reserve a permanent spot.

# What works best for you?

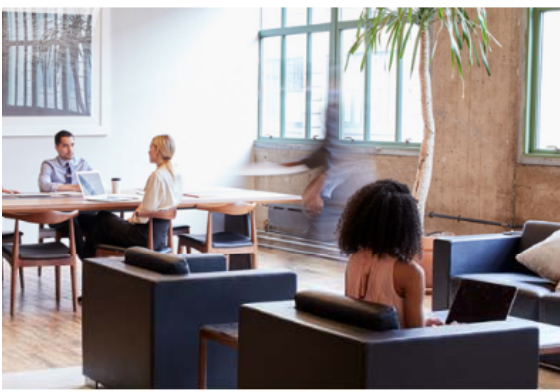

## Business Lounge

Drop in to one of our many business lounges, perfect for getting work done on the move.

# What works best for you?

## Virtual Office

Establish your business in any market without having to be there in person. Set up a business address and phone number and let us handle your mail and calls.

# What works best for you?

## Meeting Rooms

Interviewing your next sales manager or wowing a prospective client. Whatever you need a meeting room for, we have the space to match.

# What works best for you?

## Membership

Prefer to keep your options open? Work flexibly and move freely between locations with HQ membership. Select a package based on your business needs.

## Choose the plan that suits you

### Your Own Office

Get your own dedicated workspace, for however long you need it.

### Monthly Membership

Select from a range of monthly plans that are flexible, affordable, and convenient.

### Pay-as-You-Go

Don't need an office space all the time? Try our on-demand service.
