ADVERTISEMENT

Plastic Surgery The Meeting brings together the best and the brightest surgeons in the specialty, poised to share their expertise with colleagues who arrive from 73 countries around the globe. It is the premier educational and networking event of the year, for both domestic and international plastic surgeons.

The conference is intended for plastic surgeons, trainees and other allied health professionals interested in translating their expanding knowledge into practice, improving patient care and outcomes.

Plastic Surgery The Meeting has provided generations of aesthetic and reconstructive plastic surgeons the education they need to grow all aspects of their surgical career and practice.

About the American Society of Plastic Surgeons (ASPS)

The American Society of Plastic Surgeons (ASPS) is the largest plastic surgery specialty organization in the world. Founded in 1931, the Society represents 94% of all board-certified plastic surgeons in the U.S., and more than 8,000 plastic surgeons worldwide, making ASPS a global institution and leading authority on cosmetic and reconstructive plastic surgery.

The mission of ASPS is to advance quality care to plastic surgery patients by encouraging high standards of

training, ethics, physician practice and research in plastic surgery. The Society is a strong advocate for patient safety and requires its members to operate in accredited surgical facilities that have passed rigorous external review of equipment and staffing.

About The Plastic Surgery Foundation (The PSF)

ASPS works in concert with [The Plastic Surgery Foundation \(The PSF\)](#). Founded in 1948, The PSF's mission is to improve the quality of patient care through research and development. The Foundation supports research through a variety of grants, clinical trials networks, training programs and forums that encourage innovation in medical devices and techniques.

The PSF fosters the clinical exposure of plastic surgeons by sponsoring Visiting Professors and the International Scholar Program. Donations to The PSF also support surgeons who volunteer abroad to help the impoverished and foster international outreach through Volunteers in Plastic Surgery.

About The American Society of Maxillofacial Surgeons (ASMS)

The [American Society of Maxillofacial Surgeons \(ASMS\)](#) is the oldest American organization representing maxillofacial surgeons who are devoted to improving and promoting the highest levels of patient care. Maxillofacial and Craniofacial surgeons specialize in bone and soft tissue reconstruction and enhancement of the face.

The American Society of Maxillofacial Surgeons represents the finest in plastic surgery. Members are a collegial group of more than 500 surgeons who share a keen interest in surgery of the face and skull. While modest in size, its membership is fortunate to include many of the leaders in plastic surgery.

About The American Society of Plastic Surgery Professionals (ASPSP)

The [American Society of Plastic Surgery Professionals \(ASPSP\)](#) supports the professional employees of board-certified and board-admissible plastic surgeons. Membership is available to nurses, physician assistants, research assistants, practice/office administrators and related staff, surgical technologists/assistants and CRNAs.

ASPSP provides education and networking opportunities to encourage individual and professional growth. ASPSP

About Plastic Surgery The Meeting

Plastic Surgery The Meeting brings together the best and the brightest surgeons in the specialty, poised to share their expertise with colleagues who arrive from nearly 50 countries around the globe. It is the premier educational and networking event of the year, for both domestic and international plastic surgeons. The conference, which hosts more than 3,000 attendees, is intended for plastic surgeons, trainees and other allied health professionals interested in translating their expanding knowledge into practice, improving patient care and outcomes. Plastic Surgery The Meeting has provided generations of aesthetic and reconstructive plastic surgeons with the education they need to grow all aspects of their surgical career and practice.

About ASPS

The American Society of Plastic Surgeons (ASPS) is the world's largest organization of board-certified plastic surgeons. Representing more than 7,000 Member Surgeons, the Society is recognized as a leading authority and information source on aesthetic and reconstructive plastic surgery. ASPS comprises more than 94 percent of all board-certified plastic surgeons in the United States. Founded in 1931, the Society represents physicians certified by The American Board of Plastic Surgery or The Royal College of Physicians and Surgeons of Canada. ASPS advances quality care to plastic surgery patients by encouraging high standards of training, ethics, physician practice and research in plastic surgery.

Sientra pledges support as Platinum Sponsor of Plastic Surgery The Meeting

Monday, August 07, 2017 ◀ 7

ARLINGTON HEIGHTS, IL – The American Society of Plastic Surgeons (ASPS) is proud to welcome Sientra, a leading medical aesthetics company, as a Platinum Level sponsor of **Plastic Surgery The Meeting**, which takes place October 6-10 in Orlando. The premier educational and networking event for board-certified plastic surgeons across the world, Plastic Surgery The Meeting is attended by more than 3,000 plastic surgeons, trainees and other allied health professionals interested in translating the continuing medical education and information they receive into their practices to improve patient care and outcomes.

"Sientra has a long-standing commitment to patient safety, product quality and technological innovation," said Debra Johnson, MD, president of the American Society of Plastic Surgeons. "We value their commitment to working exclusively with board-certified plastic surgeons and appreciate their continued support of the patient safety and enhanced quality-of-life outcomes we advance at **Plastic Surgery The Meeting**."
