In-Person

Use Glide to enhance your in-person disclosure session, guiding clients elegantly through each form ensuring nothing gets missed.
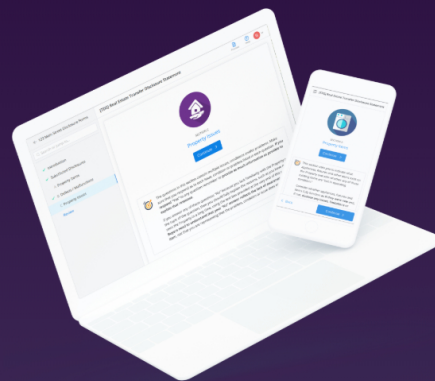

Remotely
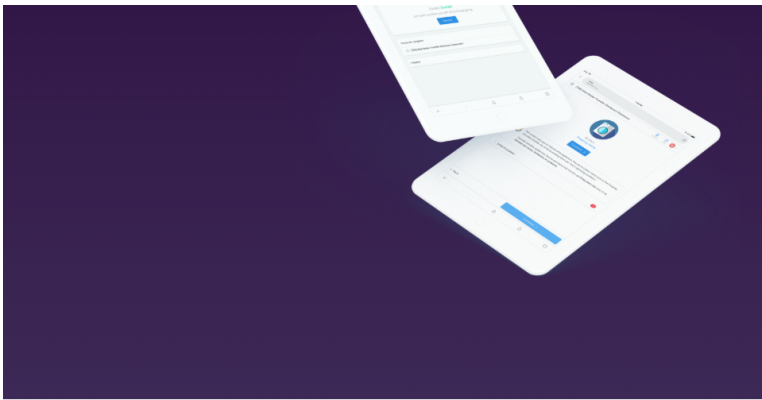

Invite clients to be guided through forms on their own, then use Glide to respond to questions, request revisions and generate final documents.

A new level of legal protection for you and your clients

Failure to disclose is the #1 cause of homesale lawsuits. Glide protects you from disclosure pitfalls with built-in compliance checks, disclosure advisories and text overflow. Glide users can rest assured that disclosures are executed accurately and completely the first time around.
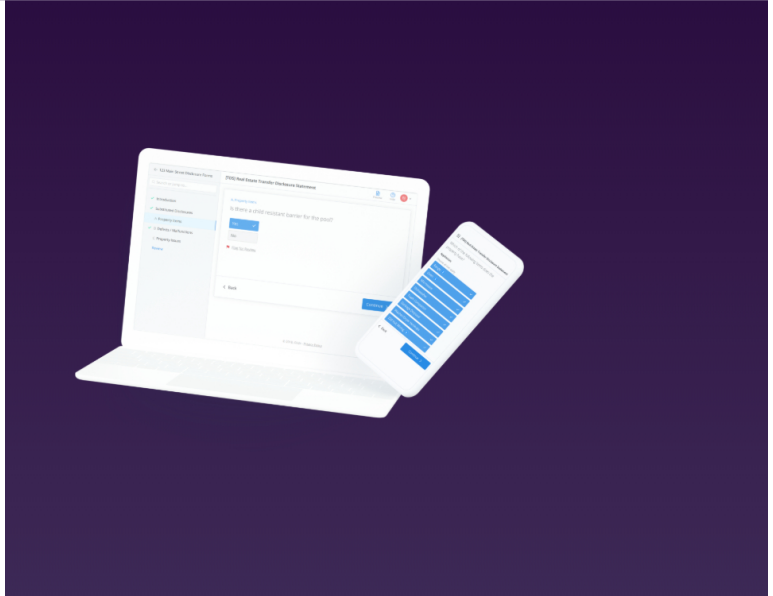

Hands down the easiest way to complete disclosures

Say goodbye to missed questions, illegible answers and endless back-and-forth. With Glide's intuititive step-by-step process and zen-like interface, clients will be singing your praises. You'll never go back to filling out disclosures the old way again.

Your digital disclosure one-stop-shop

Glide not only offers multi-agent support, but features a seamless user experience from start to finish. Invite clients to complete disclosures in a few clicks, get notified of client activity in realtime, and effortlessly update forms and track changes when needed.
