

It pays to keep things simple.®

# New Website for RIAs

**GreatAmericanRIA.com** offers innovative tools and resources for Registered Investment Advisors looking for alternative solutions to fixed income investments.

Here are a few of the resources you'll find!

### Portfolio Simulator

Find a state-of-the-art tool that uses Monte Carlo simulations to show how a fee-based annuity could impact your clients' portfolios.

### Data Integrations

See how Great American's annuity data is easily integrated with many of the most popular fee-based platforms available today!

### Quick App<sup>SM</sup>

Enjoy an easy way to submit business with Quick App, our electronic application system designed with your needs in mind.

### Educational Materials

Access educational articles and materials that illustrate the benefits of introducing a fixed-indexed annuity to an advisory portfolio. Find tips for breakaway advisors, annuity myths, white papers and more!
