How does ADESA Assurance work?

Buyers who want to purchase protection for vehicles at U.S. ADESA auctions, LiveBlock, UVA and mobile auctions will enroll in ADESA Assurance as a subscription service.

Buyers who purchase only DealerBlock vehicles on ADESA.com and want ADESA Assurance protection can select it at the time of check-out. Look for the "A" icon on the vehicle detail page for eligible DealerBlock inventory. A subscription service isn't necessary.

ADESA Assurance cannot be added or removed after a sale.
