No arguments: just a rock solid promise to stand 100% behind our product.

AUSSIE OWNED & DESIGNED.

Trisole - Steel Blue's comfort technology

Cushion your feet, knees, hips and lower back from day-to-day fatigue with Steel Blue's unique soling system.

This provides a vital foundation that supports your whole body. Strategically placed pads made of high-tech PORON® are placed in the sole and under your foot's peak stress areas. This multi-density soling has been proven as much more effective in cushioning and absorbing shock than a standard footbed.

When you wear your Steel Blue boots, you know you've got the best available foot technology that's backed by our 100% Comfort Guarantee.

Selected Steel Blue boots are accepted by the American Podiatric Medical Association.
