Horrible - cheap, cheap, cheap

By [Birdy](#)

I was SO excited to get this bright and cheery yellow bird t-shirt. I thought the price was terribly high for 100% cotton (\$44.98 including shipping) but I figured "It's probably better quality". Boy was I wrong! This is one of the cheapest t-shirts I've ever purchased! I wish I would have returned it for a refund but I already wore it and washed it once. The neck stretched out of shape and since it's 100% cotton it can't be placed in the dryer. It looks like a rag I bought at a thrift store - very disappointed. I took a photo that I would gladly attach if that was an option. DO NOT BUY.
