

Turf, pasture, range and field seed supplies.

Welcome

Desert Sun Marketing works with clients around the globe to procure and develop turf, pasture, range, and field seeds. With research and sales centers in Arizona and Hawaii, we are industry leaders for seed used in the arid and tropical regions of the world.

Over the years, we have formed solid partnerships with suppliers from the agricultural side of the seed industry. We have also established long-lasting business relationships with clients across North America, Europe and Asia. These partnerships, combined with our own in-depth knowledge of agriculture, our expertise in export shipping, and our unparalleled customer service, allow Desert Sun Marketing to consistently deliver high quality seed, priced fairly and shipped on time.
