

INTRODUCING BEACHWALK BREW

In partnership with local Miami brewery, M.I.A. Beer Company...

Beachwalk Brew is a light and crisp golden ale and is the perfect complement to the region's warm temps and sunny skies. Made with Kolsch-style yeast from Cologne, Germany and Sorachi Ace hops, Beachwalk Brew presents a clean, dry finish. Guests looking for a deeper dive in to the brewing process and an in-depth tasting can coordinate an experience at M.I.A Beer Company directly through the hotel concierge.

Ask for Beachwalk Brew at the Bistro or while relaxing poolside along the intracoastal waterway!
