OUR VENDORS

Situated in our sunlit atrium, DECO Bar is a beautiful, white marble bar that features stellar cocktails, local craft beers, and wines to pair with each style of food that DECO has to offer.

Our Test Kitchen

The Pop-Up is a kitchen with unlimited potential for chefs to test new recipes, meet new customers and join a new community. Biweekly to monthly throughout the year, we'll host a new chef and their team in the Pop-Up, who

bring new menus and flavors into DECO.
