

YOUR
PASSPORT
TO THE FUTURE

TIME MACHINE 2018

—
NOVEMBER 6-7
AUSTIN, TX

SparkCognition's annual summit, Time Machine, brings together world-leading creative minds in technology, government, industry, and academia to debate the biggest opportunity, and most pressing issue, of our time: artificial intelligence. Your voice is essential to this conversation, and we are honored to invite you to join the discussion.

www.timemachine.ai

How will AI shape the future of society, and how do we prepare ourselves to thrive in this new world? By attending Time Machine, you will be working with us to reimagine and co-create the future.

SPEAKERS

Look forward to the announcement of more notable speakers as we approach the world's leading AI conference.
