

*Futures Worth Fighting For.*

Nearly 70 years ago, Valley Children's Healthcare began as the vision of five civic-minded women who saw the need for a dedicated pediatric hospital in Central California. Since then, we've grown from a 42-bed hospital to one of the largest pediatric healthcare networks in the country. In all we do, we honor our founding mothers and the vision that started it all.

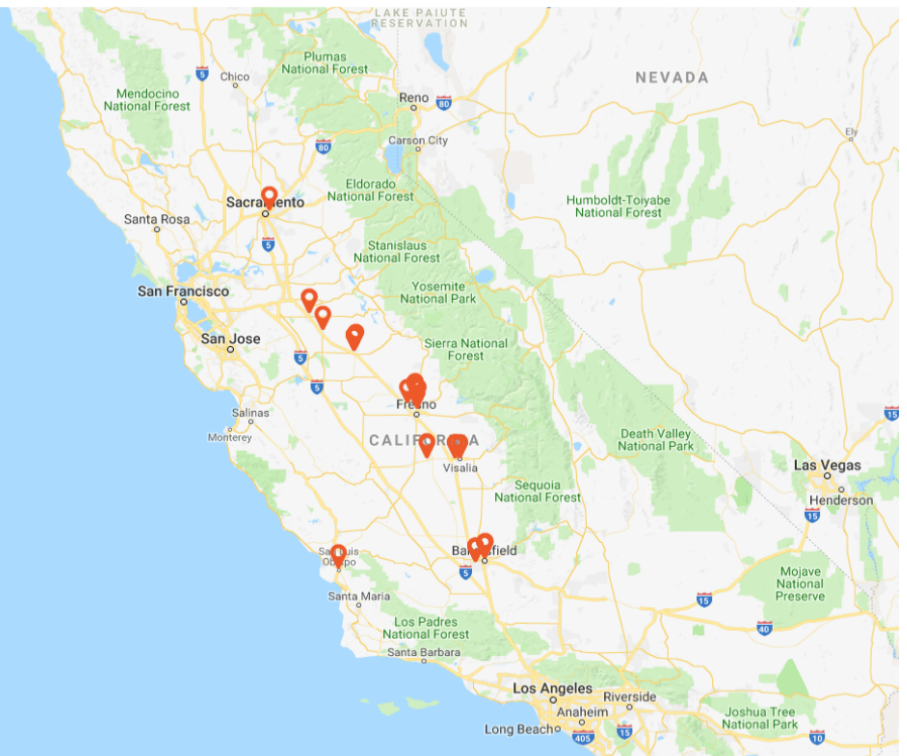

## Our Services [View All Services >](#)

Valley Children's network of pediatric specialty and primary care providers is dedicated to providing the best care close to home for the children of the Central Valley.

## Jayden's Story

Diagnosed with early onset scoliosis at just five years old, Jayden smiled as he underwent his first spine-lengthening treatment at Valley Children's Hospital.

Jayden, now nine years old, became Central California's first patient to receive an innovative treatment called MAGEC (MAGnetic Expansion Control) that enables surgeons to straighten Jayden's spine gradually and noninvasively.

## Honoring Our Mission

For more than six decades, Valley Children's has served the 1.3 million kids living in the Central Valley. They inspire us to be better, push us to fight harder and drive us to bring our best every day. Through your generosity, we hope to continue that commitment to children's health for generations to come.

## Little Patients, Big Victories

We recognize that children aren't simply little adults, and that having a sick child impacts the entire family. At Valley Children's, we're dedicated to family-centered care: tending to the unique physical, emotional, spiritual and social needs of the children and families we serve.
