

The OnGuard™ Protection Guarantee protects your home from hidden moisture damage, the most insidious long-term damage that every homeowner faces. In fact, a recent survey of home inspectors reported that over 60% of all existing structures have some type of moisture-related damage. The annual OnGuard™ 199-Point Inspection process helps you avoid preventable damage and safeguards your property's value. Your home could harbor neglectful or improper building practices that lead to moisture issues, and you would have no way of knowing without OnGuard™.

Don't be surprised by a huge bill! Don't discover festering moisture problems only when it's time to sell your home. You can find a local Authorized Dealer who can offer the complete OnGuard™ 199-Point Inspection, OnGuard™ Protection Guarantee, and OnGuard™ Property History Report. Get started today!
