ADDICTION MEDICINE

Certified Cloud-Based Addiction Medicine EHR

Designed specifically for the needs of substance abuse treatment centers.

Certified Cloud-Based Addiction Medicine EHR

Designed specifically for the needs of substance abuse treatment centers.

Our ONC-certified Addiction Medicine Module makes it easy to deliver care. Medgen helps you run your clinic efficiently by offering state-of-the-art inventory management and infusion pump dispensing. Plus, you can easily schedule group meetings, track notes from multiple providers, run drug screening panels and even manage your telemedicine appointments. Medgen EHR is also fully customizable to suit your clinic's preferences.

With costs saving of up to 30% – 40% compared to our competitors, Medgen will help your clinic grow while enhancing patient care and well-being.
