History
Senior Management
Accreditations and Affiliations

McLarens adjusters average over 20 years of claims experience meaning we are well-positioned to deliver a consistent, proactive approach to claims management.

We attract accomplished senior professionals who average more than 20 years of claims adjusting experience. As employee-owners, every employee, including adjusters, management, and staff, has a personal vested interest in our clients' success.

Specific areas of expertise include [Property](#), [Casualty](#), [Global TPA Services](#), [Aviation](#) (McLarens Aviation), Agriculture, [Construction & Engineering](#), [Crisis Management](#), [FAJ & Specie](#), [Marine](#), [Natural Resources](#), [Private Clients](#), [Risk Services](#), and [U.S. Middle Market](#) (Norcross).

Each of our clients receives access to our proven, proprietary, web-based claims management system which enables 24/7 access to up-to-the-minute claim information, regardless of the client's or claim's geographic location.

[McLarens Aviation](#), headquartered in London, UK is the world's leading provider of high-quality claims, risk and asset management services, together with aircraft technical services, for the global aviation community.

Since 1964, McLarens Aviation has been the world's leading supplier of aviation claims management and technical services and joined the McLarens family in 2011. The experienced global team of aviation professionals provides responsive, innovative, bespoke solutions to the aviation insurance market, aircraft operators, airports, MROs, financiers, lessors, oil and mining companies, legal firms and regulators.

[Norcross](#), headquartered in Seattle, Washington, USA provides middle market services to domestic clients. First established with a single office in 1979, Norcross
