

## COACHES

TB

*Our coaches must have the ability to communicate the aspects of the game to our players and have a passion for teaching. It is not good enough to just have played baseball at a certain level, coaching requires a multitude of other aspects to be effective.*

*All coaches in Test Baseball understand the goals and objectives of the Organization and the development process for each age group.*

### Garrett Tully

- *The TEST founder graduated from Boerne High School. He played sports all through school and baseball for the Boerne High School varsity team until he graduated in 2010. Garrett also played baseball in college for Houston Baptist University and was part of their 2013 Championship team.*
- *In 2014, Garrett graduated with honors from HBU with a Bachelor's degree in Kinesiology. His coursework focused on biomechanics, exercise physiology, nutrition, and athletic training program development.*
- *Once Garrett finished playing he started training and really found his passion. Garrett has been lucky enough to have trained some of the top high school, collegiate, and professional athletes in the nation.*
- *Garrett is a certified personal trainer through ACE (American Council on Exercise).*

## HIGH SCHOOL 15u - 18u

# TEST

*Test Baseball will select the best players to compete at nationally recognized showcase tournaments around the State of Texas and the United States. Players with a unique skill set will be selected to compete on these teams. The goal of our Showcase program is to continue to maximize the ability of each player and provide opportunities for players to continue their baseball career's at the next level.*

*TEST will primarily compete in Texas Premier showcase events. They have established themselves as the predominate showcase organization over the last decade. They have assisted in showcasing Texas high school players to major college and universities and major league scouts. Collectivly Texas Premier teams have placed hundreds of kids in college and university programs around the country.*
