## Record Organization & Analysis

Cases involving medical complexities require very special expertise. At MCS, that expertise is provided by physicians and/or legal nurse consultants who review, analyze and summarize all essential information contained in medical records in chronological order. Related fees are billed on an hourly basis and can be recovered as a billable expense.

**Features Include:**

- Chronology Services
- Mass Tort Threshold Evaluations
- Medical liability & causation opinions
- Free reviews of case synopsis online
- Frees up staff
- Billable Expense

**How it Works:**

- Medical Records are sorted and categorized.
- Important points in the summary are highlighted in yellow.
- Highlighted notes or post-its can be attached to the chronology or records.
- Accurately captures the medical record dates, procedure(s), treatment/occurrences(s) and other customized data fields.
