## Additional Professional Support Services

### Reception & Switchboard

Our solutions extend to a wide range of on-site business support services that alleviate your internal staffing burden and keep you focused on core activities. In the reception area, MCS staff can provide exceptional greeting to your guests at your front desk, or over the phone when receiving and directing calls to various associates around your office.

#### Benefits Include:

- Enhanced customer experience
- Reduced staffing needs
- Best practice implementation
- Internal process improvement
- Specialized advice & support
- Implement litigation support operations
- Vendor-supplier management & coordination

### Conference Room & Hospitality

- Vendor-supplier management & coordination

## Conference Room & Hospitality

*Professional. Innovative.*

Conference room and hospitality services are also an integral part of your company's image. MCS can transparently manage all day-to-day activities, including conference room setup, supply inventory management, audio/visual support, light kitchen duties and meeting coordination.

Through our unique and innovative MCS ServiceNow program, your associates are able to inform us of their service needs directly from their smartphones. Whether they need to schedule a conference room's set-up and clean-up or audio visual aide, or if a kitchen restock is required, it just takes a few simple steps to send a virtual request to your MCS team members and the matter will be taken care of.

## Consulting

*Experience you can trust.*

Sometimes a full outsourcing solution just isn't needed, but professional help is still required. You can comfortably rely on MCS as a consultative partner for services relating to our core competencies that are not geared toward outsourcing initiatives. We harness more than 35
