

NCCHC Resources

Solutions From the Most Trusted Name in Correctional Health Care

NCCHC Resources provides expert consulting services for correctional health care systems nationwide.

Our parent company, the National Commission on Correctional Health Care, is widely known and respected for its pioneering *Standards for Health Services*, national accreditation and certification programs, and premier correctional health care education.

With roots in NCCHC – the nation’s leader in promoting correctional health care quality – NCCHC Resources offers **unparalleled breadth, depth, experience and perspective.**

NCCHC Resources will put together a team of correctional health care experts to address any sized project or challenge.

- Specialized technical assistance
- Accreditation readiness
- Training & education
- RFP/RFQ support
- Health system assessments
- Health services monitoring

As jails, prisons and juvenile detention facilities strive to deliver constitutional health care, improve quality and reduce liability, NCCHC Resources offers **unique expertise** from the nation’s foremost leaders in correctional health care.

A **nonprofit** organization, NCCHC Resources works to strengthen NCCHC’s mission: to improve the quality of health care in jails, prisons and juvenile detention and confinement facilities.
