dasher app to explore during the Doordash orientation session.

This is the workflow of the DoorDash Orientation Session:

Shares

Sign up for Doordash Dasher and complete the 6-step application (note, you may get an additional email to verify length of driving history. I got a new license so had to upload my old drivers license to prove length of driving history. Pretty typical.)
In DocuSign, review and sign the Doordash driver Delivery Rates information, W-4 and DoorDash Driver Partner Agreement
Attend Online DoorDash Orientation Session
Receive Welcome Email with Link to Download the DoorDash Driver App

Can read more about the DoorDash Orientation Process in the below link:

How to Sign up For DoorDash and Doordash Orientation Session

Download the DoorDash Dasher App

Before you download the DoorDash Dasher App, you need to sign up to be a DoorDash dasher delivery driver. To start your application, you can use this link to start signing up for Doordash Dasher:

- Sign up to be a Doordash Dasher

You can read more about the DoorDash Dasher Onboarding Process in the below link:

- How to Sign up For DoorDash Dasher and Doordash Orientation Session

The welcome email I received is below, with the link to download the DoorDash Dasher App. It also includes an emergency contact for Doordash Dasher Driver Care for urgent delivery issues:

" Simon, thank you for attending an DoorDash Driver onboarding session! You're officially ready to
