B-12 Drops Pure 2 oz

B-12 Drops Pure 2 oz.

Vitamin B-12 is important in maintaining overall good health. It helps the body to form red blood cells and to metabolize carbohydrates, fats and proteins. It is important for the proper function and development of the brain and nerves. Vitamin B-12 is a water-soluble vitamin that helps to increase energy, assist in the formation of red blood cells and support cardiovascular health.

The B-12 Drops Pure from Go Pure Labs is a delicious cherry-flavored drop, and is combined with Riboflavin (required for development and function of the skin, lining of the digestive tract and blood cells), Niacin (needed for the proper function of fats and sugars in the body and to maintain healthy cells) and B-6 (needed to maintain the health of nerves, skin and red blood cells). Vitamin B-12 is a vitamin that is found in meat and dairy products. It is stored in the kidneys, liver and other body tissues.

What types of benefits might you receive from taking B-12 Drops Pure from Go Pure Labs?

- Energy production.
- Healthy nervous system.
- Production of acetylcholine- a neurotransmitter that helps with memory & learning.
- Brain health.
- The synthesis of red blood cells.
- Cardiovascular health.

When you buy pure B-12 Drops Pure from Go Pure Labs, you receive:

- A B-12 complex that contains Riboflavin, Niacin and Vitamin B-6.
- Easy to use bottle with dropper, ideal for those who have difficulty swallowing capsules and tablets.
- A product free of yeast, wheat, milk or milk derivatives, lactose, sugar, soy, artificial color and flavor.
- A product manufactured in the USA at FDA inspected and GMP approved facilities.

Great product at a good cost!

I have a vitamin B-12 deficiency and I am prescribed to take shots every other week. This is a great product that keeps my energy level up during the day when my shots are in between weeks. I've tried other vitamin B-12 supplements but nothing compares to these drops. Great product at a good cost!!

Our best-selling product for years, Go Pure Lab's Transformation Drops are known to trigger the body to release and mobilize any extra fat your body is carrying to use as an energy or food source. We made changes to the label on this top selling product. It is now being sold under our Skinny Transformation Drops label. The formulation is the exact same. We have just updated the graphics and name on the label. You can find it here at [Skinny Transformation Drops](#)

Combined with the [Transformation Diet](#), these drops have helped thousands of people lose weight for the past 50 years, by making up the difference in the calories it needs to function by using stored fat as food. As a result, customers have been known to burn fat at a

the difference in the calories it needs to function by using stored fat as food. As a result, customers have been known to burn fat at a quicker rate, and from areas in the body that are typically harder to reduce.

How does it work:

- Ingredients in Transformation Drops can diminish hunger cravings and desires to snack between meals.
- Contains African Mango, a natural ingredient known for dramatic weight loss and belly fat reduction in completed studies.

When you buy Transformation Drops from Go Pure Labs, you receive:

- A product containing no artificial ingredients.
- Easy to use homeopathic drops that go directly under your tongue. Drops that are hormone free.
- A product that is all natural and gluten-free.
- A formula known to convert fat into nutrients without loss of muscle.
- Free **downloadable diet guides** with every order.
- A product manufactured in the USA at FDA inspected and GMP approved facilities.
