

Veterinarian Subscription

IGNITE's subscription for Veterinarians helps GPs, Interns, and Residents up their game with case rounds, current medical thinking, and advice from experts and their peers on what to do next.

Our doctor community is thriving. Members post cases they are struggling with or find challenging, and within minutes, members get responses from an ER critical care specialists, neurologists, internists, surgeons, radiologists, and dermatologists; all weighing in with help and considerations. Our multi-disciplined approach and attention doesn't exist anywhere but on IGNITE.

Groups Included with the Veterinarian Subscription

- ✓ Find solutions to problems
- ✓ Easy to navigate
- ✓ Connect with experts and peers
- ✓ Test your skills

Ask the Neurologists

This group is carefully curated by Michelle Tensley, DVM, MS, DACVIM (Neurology) and Peter Brofman, DVM, MS, ACVIM (Neurology & Internal Medicine). Ask anything about neurolocalization, differential lists, and diagnostic and treatment options. Feel free to post history and videos, if you have them. They frequently add cases of their own, along with some pearls of wisdom.

Ask the Internist

Engage in open Q&A, dive deep into case studies, and widen your medical knowledge with our Board Certified Internist, Diane Levitan, VMD, DACVIM.

Ask the Anesthesiologist

The purpose of this group is to share information and generate discussion, with the overall goal of advancing knowledge and patient care with respect to anesthesia and pain management. Our expert, Bonnie Hay Kraus, DVM, DACVS, DACVAA will provide guidance and information for non-ACVAA specialists, general practitioners, interns, residents and nursing staff.

Ask the Cardiologist

If advancing your cardiovascular knowledge is on your to-do list, this is the group for you. Our cardiologist, Bryan Bottorff, DVM, DACVIM is our resident expert on matters of the heart (well, maybe not THAT kind, but you know what we mean). Check out one of his cases or post one of your own.

Ask the Surgeons

Created to advance the overall surgical knowledge of general practitioners, interns and residents, our panel of surgeons will help you navigate through tough cases. Moderated by Shanti Jha, DVM, DACVS; Mark B. Parchman, DVM, DACVS, CCRT; Mark Garneau, DVM, DACVS; and Erin Baysinger, DVM, DACVS.

Ask the Oncologist

Engage in open Q&A, dive deep into case studies, and widen your medical knowledge with our Board Certified Oncologist, Meighan Daly, DVM, DACVIM (Oncology).

Ask the Dermatologist

Curated by Candace Sousa, DVM, DABVP, DACVD, the mission of this group is to allow individuals to post cases for discussion. Candace will provide guidance, post hypothetical cases so that you can quiz yourself and learn more about dermatology, and provide you interesting articles with current information about dermatology topics.

Ask the Radiologist

This community for doctors will allow you to exchange ideas, post rads, share state-of-the-art medicine updates, and discuss challenging cases. Moderated by Tony Pease, DVM, MS, DACVR.

Ask the Personal Finance Advisor

Financial planning certainly isn't one-size-fits-all. Scenarios arise where you wish you could consult with someone who knows veterinary medicine AND money... look no further! Ask IGNITE's Personal Financial Advisor, Ashley Foster, CFP, LUTCF.

A Balancing Act: Life as a Veterinarian

With all of the pressure, long hours, feeling short staffed, and less than optimal client situations, it's easy to forget that veterinarians possess a superpower: to help animals. This IGNITE-exclusive group is a safe space to get back in touch with why you chose to be a veterinarian, discuss solutions to common problems and infuse positive energy into our careers and daily life as a healer. Moderated by Ann Eliopulus, DVM.

IGNITE Dentistry Hub

Many veterinarians admit that dentistry is not their strong suit. This group is your saving grace. Our dental enthusiasts will fill in any knowledge gaps you may have, and teach you to love dentistry. Moderated by Jennifer Mathis, DVM, CVPP.

Veterinarian Training

Here you'll find videos and courses, RACE approved CE and bite-sized info to help take you to the next level. Use our powerful search to find what you are looking for, or simply click on the pinned post and browse by category.

Ask the Avian & Exotics Specialist

This Avian & Exotics group will provide the opportunity to learn about exotic companion animal health, medicine, and surgery and to gain technical skills in working with unique species.

IGNITE Illuminations

If there's something new on IGNITE, this is the group where you'll hear it first. Illuminations is where put the most important announcements, articles you need to read, and any functionality upgrades.

Canine Behavior

The mission of this group is to keep every dog in his or her home by dramatically reducing the number of dogs abandoned, surrendered, or euthanized every year due to behavioral issues. Ask our Behaviorist, Donna Chandler, any questions you have surrounding dog behavior.

Personal Wellness

The process of cultivating a positive and affirming mindset, and working toward a state of being in good health, is an important pursuit in the veterinary industry. This group provides resources and ideas to propel and lift up CSRs, techs, doctors, managers, and owners.

IGNITE Helpdesk

Ask any questions you might have about account maintenance, functionality, or how the IGNITE learning platform works. We are here to make your experience awesome!

Vendor Partner Groups

Get the latest product news, access vendor's resource libraries, and have 2-way conversations with their experts and support team.

Used Equipment Marketplace

The mission of this group is to keep every dog in his or her home by dramatically reducing the number of dogs abandoned, surrendered, or euthanized every year due to behavioral issues. Ask our Behaviorist, Donna Chandler, any questions you have surrounding dog behavior.

A Knowledge Center for Veterinarians

IGNITE's subscription for Veterinarians helps GPs, Interns, and Residents up their game with case rounds, current medical thinking, and advice from experts on what to do next.

The groups inside IGNITE are carefully monitored by some of the most talented leaders in veterinary medicine. Brimming with resources, capsule reports, and training - only the most current thinking is available and all outdated information gets archived. With our incredible search function, veterinarians are able to find exactly what they're looking for without getting lost in a forum thread. Our experts post challenging and unique cases into the groups for additional learning opportunities.

IGNITE is a place where members can also discuss their own cases they're working on, have the ability to upload an unlimited amount of videos and pictures quickly, and get answers from our experts and their peers. Subscribers collaborate, learn, and grow by helping one another.
