# SNOWFLAKE PARTNERS

Snowflake unlocks the full potential of data warehousing in the cloud for a broad array of tools and partners. From data management to analytics, our partnerships and integrations enable customers to leverage Snowflake's flexibility, performance, and ease of use to deliver more meaningful data insights.

## TECHNOLOGY PARTNERS

Snowflake works with leading data management, data integration, and BI partners so you can easy bring together all your data and enable all your users to perform interactive analytics.

## BUSINESS PARTNER STANDARDS OF CONDUCT

Snowflake's strong partner ecosystem is foundational to our mission of "Enabling Every Organization to be Data Driven." Our primary engagement with partners is complementary but we often compete with partners as well.

Our values are our North Star for everything Snowflake does, including how we engage our partners and competitors. The Standards of Conduct guides how we as Snowflake employees conduct ourselves when working with partners where we also compete.
