## GUARDIA, LLC

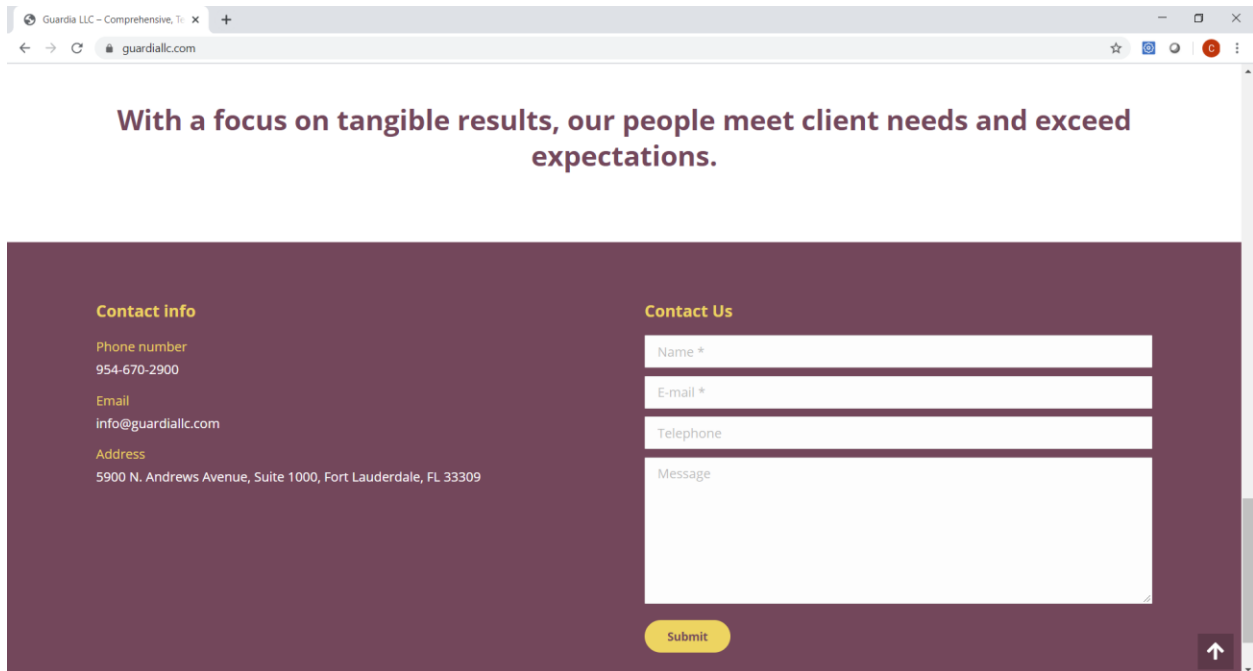

Guardia, LLC is a national provider of growth-oriented, technology-enabled insurance solutions.

Critical to Guardia's success is our ability to meet the needs of our clients with agility and efficiency. As such, we continue to invest in people and technologies that create value through accelerated product development and delivery, all while mitigating risk for carriers, agents, and employers with self-funded insurance programs.

Across our national portfolio of companies, we remain dedicated to providing comprehensive solutions and exceptional service to our clients and we are committed to growing our brands nationwide through both organic growth and strategic acquisitions.
