Providers

ORDERING A PATIENT EXAM

If you are a physician or medical facility and would like to refer a patient, please provide your order via EMR, fax or our convenient app, [Green Patient Connect](#). We'll handle scheduling, pre-certification and patient prep. We'll also keep you updated on the status of your patient's exam, and provide customized reports via our PACS portal or the delivery method you prefer.

DOWNLOAD ORDER FORM

If you wish to fax an order form to us, you can download our form by clicking below.

CONCIERGE LEVEL RADIOLOGY SERVICES

In addition to imaging, we provide a full complement of high-quality radiology services. With each, our goal is to develop long-term, mutually beneficial relationships that drive efficient operations and optimize patient care.

- Consultation, scheduling, benefit pre-certification and reporting
- General and sub-specialty diagnostic radiology interpretations
- Back up coverage and sub-specialty radiology reads
- Easy to read report styles
- Personalized, secure access to our [PACS portal](#), which essentially functions as your own
- Direct cell phone access to reading radiologists

- 24/7 coverage with STAT reading upon request
- ER and Urgent Care coverage
- Marketing/business development support
- ACR accreditation/exam protocol support

How can we best support you? Call (713) 524-9190 (extension 4) to speak with one of our radiologist owners today.
