

WHEN ALL YOU NEED IS A BOILER BOILER IN A BOX

[Browse Boiler in a Box](#)

Utilizing the same design standards as our flagship portable boiler rooms, Powerhouse Boiler in a Box rental boilers are perfect solution if you have feedwater treatment and fuel delivery capabilities on site. Boiler in a Box rentals come in smaller packages but pack a big punch, with large capacities and high operating pressures. Offered at a substantial discount over traditional portable boiler rooms, BBs save you money by providing only the required rental components.

This system is fully pre-piped and operates automatically to provide high-quality steam to your process. All of our Boiler in a Box packages are supported by our [expert service department](#) and designed, built and tested for total reliability.

Why use a Boiler in a Box?

Use your existing Auxiliary Equipment

Available on location in 24 hours

Rapid installation by expert Boiler Techs

Key Features:
