

HAVE QUESTIONS OR NEED SERVICE? WE'D LOVE TO HELP.

Minor repairs can grow into major issues if they aren't handled by an experienced and professional industrial boiler repair company. With Powerhouse boiler technicians and engineers you can rest assured that the job will be done right the first time, every time. We have decades of experience with firetube and watertube industrial boilers, as well as all connected auxiliary equipment from longtime partners like [BFS Industries](#). Our qualified personnel will give you a fair assessment of your boiler's health and remaining life, and help you to solve all of your industrial boiler repair and [replacement](#) needs.
