Highly Recommend, Great Deal! Durable, Excellent Multipurpose Lid

Reviewed in the United States on August 9, 2019

Color: Black Size: 30oz **Verified Purchase**

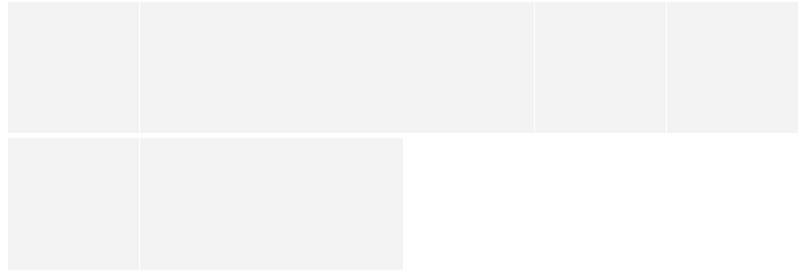

This is a great price, as other sellers sell the same thing but with a lid that cannot seal off the hole for the straw for a higher price. It is my first time seeing a 30 oz tumbler, and boy is it thick! That's okay, I prefer a thick cup over a way too long one. The tumbler is sturdy and the body color more towards a matte than the shine in the photo.

I will test it out on hot and cold beverages later, but so far it looks to be of great quality and sufficient packaging.

The straight straw is 9.5 inches long, and the bent straw is 9 inches long. I wish the bent straw was a bit longer as the bent part is right up against the lid opening, but otherwise perfectly fine. I think metal straws are better than glass ones in appearance, because they are about the same size as normal straws and thus don't look super weird. The brush fits tightly in the straw to ensure enough friction for

thorough cleansing.

I bought this tumbler because I watched YouTuber Mollie Burke's video on trying zero waste for a day and she used a smoothie cup to buy beverages instead of receiving them in the normal plastic cups. I want to try the same!

LID DOES NOT STAY ON!

Reviewed in the United States on September 13, 2019

Color: Leopard Size: 30oz **Verified Purchase**

I loved this cup, when I got it. After using it maybe 10 times the lid would not stay on and would just keep popping off.

Exactly as described! Fast shipping and great product!

Reviewed in the United States on January 20, 2020

Color: Pink Size: 30oz **Verified Purchase**

This is exactly what I expected. I ordered the 30oz. Pink tumbler and it's a matte light pink with a thick coating that won't flake off in the wash like a different one I bought from Hobby Lobby. The straws are awesome, I love this and will probably buy more!! Fast shipping too.

Still ice cold a day later!

Love this tumbler so much! Literally the ice was still frozen 24 hours later. The flamingo print is better than picture.

Looks just like a Yeti

Reviewed in the United States on February 12, 2020

Color: Pink Size: 30oz **Verified Purchase**

I wanted a pink Yeti but they stopped making that color, so my husband bought me this one, and it's gorgeous and looks just like a Yeti without the logo! This is my first day with it so no idea if it will hold

ice as well but so far, so good! (Pictured this one next to my aqua colored yeti)

I love this cup. And it's a softer shade of orange not bright which I like. It keeps ice all day. Awesome quality!
