Why consult with Rebrand?

Rebrand provides a wide variety of career supports focused on moving clients into the careers and salaries they desire. Services include professional resume writing and cover letter writing, LinkedIn page optimization, and even academic writing services. Rebrand offers both a la carte and packages to fit your professional advancement needs.

Some of our services include:

- 1-1 Virtual Career Counseling
- Industry and location specific new position searching
- Follow up services as part of many of our resume and cover letter packages
- Mock interviews with feedback
- Networking Professional

Professional Resume Writing

Rebrand develops skill and achievement focused resumes. We take time to learn your current and future career goals to create a resume that reflects your current and transferrable abilities using industry specific language.

Cover Letter Crafting

Rebrand understands that writing your own cover letter can be intimidating and time consuming. Rebrand simplifies your Cover Letter needs by synthesizing your career experience and goals before providing you with a Cover Letter template for your career search use for years to come.

- Networking, Professional Development, and LinkedIn trainings
- Variety of facilitation options available for schools, churches, Universities, etc.
