Resume Writing

A resume is one of the most critical documents in your professional development. Recruiters scan this document, often electronically, with the intention of quickly identifying key skills necessary for your ability to perform in a new role. College admission counselors look to this document to evaluate how well-rounded a student is and the value they will bring to the campus. Let Rebrand help you stand out by using industry specific language, role descriptions that will wow recruiters, and developing an aesthetically appealing resume!

30 & 60 Minute Virtual Career Consultations

Sometimes we just need to know how to get from "A" to "D". Figuring out what "B" and "C" look like can be difficult. Whether it is more education, an intern or extern opportunity, or even more networking, Rebrand provides consultations to help our clients identify what their "D" is and the tools needed to get there. Trained in both Coaching and Strength Finder assessments, allow Rebrand to support you to reach your next professional goal.

Job Search Strategy Coaching & Consultations

At Rebrand, we understand looking for a job IS a job. The hours required in identifying strengths, industry trends, and language to alter a resume several times is not only exhausting, but can also be discouraging. Rebrand has simplified the job search process in several ways. From our crash course on position searching to our hand-picked position search bundles, we make the job search process more efficient and effective for our clients!

Cover Letter Writing

Cover Letters should be inviting, telling, and highlight any areas of industry and professional strength. While this document may be intimidating, it is necessary to make the investment into your future to at the bare minimum, have a solid template of an ideal cover letter. Rebrand can help you to either upgrade or create a Cover Letter that will showcase your best work, your commitment to an industry, and your professional growth or goals.

LinkedIn Training Courses

LinkedIn is an amazing tool for the student, job seeker, or those simply seeking to expand their network. LinkedIn provides a wealth of free information to those who know how to effectively use the access it provides. Rebrand currently features three different training courses for those seeking to learn how to use LinkedIn for professional advancement.

Interview and Negotiation Strategy Coaching

Once you have the perfect resume and cover letter, Rebrand continues to provide services! We provide both Interview and Negotiation Consulting because we understand that getting the interview and even the position are only the first few steps.
