

**THE GRAVEL ROADS ACADEMY HEREBY CONFERS UPON THE PARTICIPANTS OF YOUR DEPARTMENT THE HONORARY DEGREE OF GHD (DOCTOR OF GRAVELOLOGY).**

**Congratulations to you and your colleagues on graduating from the Gravel Roads Academy.** Taking time away from your busy schedules demonstrates your dedication to improving public safety and your gravel roads program.

As a new alumnus, I wanted to make sure you knew how to stay connected to GRA and take advantage of all the valuable resources we have to offer.

★ **Tap into online tools**

[GravelRoadsAcademy.com](http://GravelRoadsAcademy.com) is full of information and tools, including road maintenance/design manuals, aggregate replacement [cost calculators](#), press releases to communicate to constituents, FAQs and much more.

★ **Connect on Facebook**

Follow the tour, [find photos of your event](#) and get additional tips and best practices from other industry professionals.

★ **Choose DustGard**

Specify DustGard magnesium chloride for your road stabilization and dust control needs to ensure you receive [the industry's leading product and the best technical/customer support](#).

Once again, thanks for being a part of the Gravel Roads Academy. If you have any questions, comments, or need a quote, please call **1-855-GRAVEL1** (1-855-472-8351).

Sincerely,

Deanna Pinkham  
Business Director  
Gravel Roads Academy
