• No Chemical Foaming Agent
• Made in the USA

Our USDA Certified Organic Rinse Out Conditioner is the perfect solution for detangling your dog's coat. Blended with organic oat extract & aloe this gentle conditioner will untangle hair and soothe your pet's skin leaving their coat smooth & shiny, smelling great and easy to brush through.

DIRECTIONS

Shake well before use. Use sparingly. Wet fur and massage into coat. Rinse thoroughly.

TIPS

Works best when used with our Pure and Natural Pet™ Shampoos and warm water. Using warm water opens hair shafts and skin pores. Rinse with cool and clean water to lock in essential oils.

BENEFITS

- Moisturizes & soothes
• Safe & gentle on your dog's coat
• Will not affect flea & tick treatments
• Great for dogs with seasonal allergies
