DESCRIPTION

The primary tool for opening everything

- Custom-designed handle provides no-slip opening power with plenty of grip.
- Tough-yet-soft material prys open the tightest cracks, but won't scratch or mar your workpiece.
- Two tips provide alternate opening options: Wedge for breaching, and Hook for lifting and levering.

SPECIFICATIONS

Material: Acetal Co-polymer

After an initial ordering hiccup, the tools arrived and are first-class quality. The company followed up several times to insure satisfaction, which made this customer very happy.
