From the manufacturer

PurellTM

New HEALTHY SOAPTM
with Natural Moisturizers

New PURELL Soap: A Well Balanced Solution

Some hand soaps strip skin of its natural moisturizers which can leave skin dry, damaged, and compromised. And so formulation matters.

Our Healthy Soap product is good for you:

- Safely and gently removes dirt and germs.
- Nourishes the skin with natural moisturizers while cleaning.
- Leaves your skin healthier than regular soap.
- Supports your skin's natural ability to protect itself against dirt and germs.

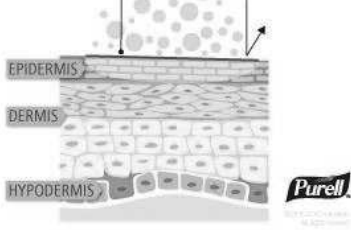

Our Brand Story

For over 25 years the PURELL brand has cared for the well-being of healthcare workers, patients, businesses and families everywhere. Now the #1 trusted hand sanitizer brand is offering the same care and protection in new Healthy Soap products.

CLEAN, NATURALLY HEALTHY SKIN

Our HEALTHY SOAP™ products support your skin's moisture barrier better than regular soaps

Healthy skin protects itself against dirt & germs

[View larger](#)

How It Works

Our PURELL soap works two ways:

1. Gently cleanses the skin without harsh chemicals.
2. Supports the condition of your skin's moisture barrier with natural moisturizers.

Where To Use

Healthy Soap products are perfect for where you might typically use regular or anti-bacterial hand soaps. At home, our solution is perfect for kitchens, bathrooms, or laundry rooms. Away from home, it's perfect for schools, offices, and small business locations like coffee shops, spas, salons, dentist and physician offices, restaurants and health clubs. Also great for breakrooms, restrooms, or patron and patient care service sinks.

[View larger](#)

Other Great Benefits

All three hand soaps are Paraben- and Triclosan-free. With light fragrances and no-stringing, Healthy Soap products are pleasant to use. Available in three great scents: Clean & Fresh, Soothing Cucumber and Fresh Botanicals

Costco Pack

January 30, 2018

Style: Soothing Cucumber Verified Purchase

My bf was so upset that I bought a box of 18 bottles of soap for just the two of us, but it is what it is Love the gel texture of the Purell soap; it's not as slippery as the hand sanitizer, but it's soft and lathers quickly The lightly scented cucumber is indeed soothing!
