Triton Protect™ Key Replacement

Replacing a lost, stolen or damaged key isn't as simple as having a new one cut. Modern chip technology has made replacing a key an expensive proposition, unless you're covered by Triton Protect™.

Triton Protect™ Guaranteed Asset Protection (GAP)

GAP covers the void left by your insurance company. If your vehicle is stolen or totalled, GAP coverage will pay the difference between what the insurance company pays and the balance you owe on your loan at time of loss.
