## Welcome to New View Gifts & Accessories

Founded in 1996, New View Gifts and Accessories has grown to become a dominant force in the decorative décor industry. Our design department travels the world to discover emerging styles, color direction, and lifestyle trends that we are able to interpret for all of our customers' needs. New View plays in all categories of the home décor industry with core competencies in multifunctional, small and large format wall décor, decorative accents, and housewares.
