MountainAir™ Complete System ~ Automatically Controlled Altitude

$5,995.00 – $6,795.00

The MountainAir™ automatically controlled system includes the following:
-an altitude tent that goes over your bed
-the air separation unit and air delivery hose
-sound attenuator
-a fingertip pulse oximeter reader
-our proprietary automated controller which includes:
-oxygen sensor
-temperature and humidity sensors
-barometric pressure sensor
-automated altitude increments
-companion app to monitor progress
-owner's manual with altitude chart and complete DIY assembly instructions
-one-year manufacturer's warranty against defects

30 Day Money back guarantee – if you are not happy with your purchase for any reason, you can return the system for a full refund within 30 days of receipt. Client to pay for return shipping fees and refund is processed within 4 weeks of receipt at our warehouse.

Rentals are also available. If you're interested in renting a MountainAir™ system, please CONTACT us.

IMPORTANT: We are now accepting pre-orders for our automated systems. Current lead time is 6-8 weeks.
