About Us

The Yellow Ribbon Reintegration Program is a DoD-wide effort to promote the well-being of National Guard and Reserve members, their families and communities, by connecting them with resources throughout the deployment cycle. Through Yellow Ribbon events, service members and loved ones connect with local resources before, during, and after deployments. Reintegration during post deployment is a critical time for members of the Guard and Reserve, as they often live far from military installations and members of their units. Commanders and leaders play a critical role in assuring that Reserve service members and their families attend Yellow Ribbon events where they can access information on health care, education/training opportunities, financial, and legal benefits. We work closely with works in conjunction with federal partners, including the [Small Business Administration](#) and [Departments of Labor and Veterans Affairs](#), to provide up to date and relevant information to the members of the all-volunteer force and their families.

Organization
 The Yellow Ribbon Reintegration Program is aligned under the [Family and Employer Programs and Policy Office](#) within the [Office of the Assistant Secretary of Defense for Reserve Affairs](#).

Each Reserve Component implements the Yellow Ribbon Reintegration Program to meet the unique needs of their Service culture and in accordance with the [Department of Defense Instruction 1342.28](#).
