When looking for restaurants, we are naturally curious about the type of food and cuisine, ingredients, and cooking methods. GURUNAVI provides this vital information under "Menu." The restaurant menus are available in four languages: English, Traditional and Simplified Chinese, and Korean. We have been continuously updating and improving the menu service since its launch.

After you find the best restaurant, you can make a reservation directly on GURUNAVI. To do so, select your desired set menu and make the payment in advance. This allows you to enjoy your gourmet experience without hassle, especially if it is your first visit to the restaurant of your choice!
